From the Desk of The Principal

Today on this auspicious day I on behalf of the entire Assam Medical College family extend my heartfelt welcome to our distinguished dignitaries, invited guests, my respected former teachers, present members of the faculties, staff, nursing staff and students of Assam Medical College, Dibrugarh. We have gathered here in the John Berry White Auditorium of Assam Medical College, Dibrugarh to celebrate the 73rd foundation day of our glorious institute.

It will be unwise if we do not respectfully remember and pay our homage to the great philanthropist Dr. John Berry White whose immemorable sacrifice and farsightedness laid the foundation of modern Medical education in Assam way back in 1900. John Berry White Medical School was established at Dibrugarh with the lifetime earning of Dr. John Berry White amounting to Rs. 50,000/- (Rupees Fifty Thousand). Later on giving due importance to the feeling of this great philanthropist who wished for an upgraded Medical college at Dibrugarh, Assam Medical College was formally inaugurated by the then Chief Minister Late Lokapriya Gopinath Bordoloi on this auspicious day in 1947. Thus the 1st medical college in whole North East India had taken birth and a new glorious chapter started in the Medical history of Assam.

The medical college now no longer has many of those legacy buildings wherefrom it initially functioned. These buildings were the abandoned World War – II buildings of American Military Hospital. Some structures of those days still exist namely the existing

OPD block and the old OT – 1 block. American Military used it to conduct different operations and we also had witnessed many operations done by legends of those days like Late Prof. N. Zaman, Late Prof. M. A. Choudhary, Late Prof. P. K. Choudhury etc. during our student days. Infact my appendisectomy operation was done in the year 1981 by our respected teacher Late Prof. M. A. Choudhury in this O.T 1 block itself.

This Assam Medical College is a reknowned Medical College in the entire India and it has the credit of producing 8995 graduates and 2605 (Degree) & 1089 (Diploma) Post graduate doctors till date. We find the product of this prestigious institute scattered all over the globe. Many good brains have drained out of this country in the initial years due to lack of required facilities in the state. Ofcourse the scenario has changed to a great extent now and government has taken every possible step for improving the health care facilities in the state. From the stage of dilapidated buildings, inadequate manpower and lack of basic facilities till few years back, the college has taken a new look with necessary infrastructural improvements, modern multistoried buildings, well equipped OT, wards, labs and hostels etc.

This has become possible only with the dynamic leadership and scientific thinking of our hon'ble Minister of Health & Family Welfare, Finance and PWD etc. Dr. Himanta Biswa Sarmah and well wishes of our Hon'ble Chief Minister of Assam Shri Sarbananda Sonowal.

This prestigious institute has very good academic environment and we always encourage our students and young faculties to undertake different research projects through ICMR etc and they have also been showing their excelence in different research works.

From this year onwards the Govt of Assam has increased the number of MBBS admission from the existing 170 nos to 200 nos.

Achievements

- Super Speciality Building : The construction of the SSB which was started on 3rd September, 2016 is going to be completed by December, 2019. The building is all set to be handed over to the Assam Medical College & Hospital authorities in the same month.
- Dental College: The construction of new Dental college inside the medical college has already started and is expected to be completed in two years. It is worth mentioning here that 50 nos of students of BDS course have already started doing their classes from 4th September, 2018.

- Mother and Child Health (MCH) Building: The much awaited mother and child health unit of AMCH had become functional since 22nd October, 2018 giving great relief to the patient coming to the O & G department
- As per the hon'ble Minister of Health, PWD and Finance etc Dr. Himanata Biswa Sarmah's vision for construction of multistoried building with all modern facilities in place of the present old Assam type buildings, the process of doing an architectural drawing with preparation of estimate have been done and have already been sent to the government
- A new RT simulator for imparting better localisation of site for proper treatment of patients suffering from different types of cancer is proposed to be given by DEA, Govt of India in a short period of time, once the bunker for the said simulator is constructed.
- The repair and renovation of all the existing by lanes of AMC campus have been going on in full swing and will be completed soon. This has completed a long standing demand of the people of this area.
- The age old caduceus at the entrance was replaced by a new erection by courteous sponsorship of 1977 batch of Assam Medical College.
- AMRIT pharmacy, located in old casualty building premises had started functioning 24X7 manner.
- Palliative Care OPD started operating in the general OPD complex of AMCH since 22nd November, 2018. It has been doing a commendable job giving substantial amount of comfort to the terminally ill patients suffering from different chronic illness.
- The construction for level 1 cancer hospital has already started and it is expected to be completed in a span of two years.
- The construction of most of the infrastructure for upgradation of medical college under TNEIF fund have started e.g. construction of 350 bedded boys hostel, vertical extension of Sarita Tosniwal Ladies Hostel etc.
- The repair renovation work of most of the hostels, buildings etc. under TNEIF have been completed.
- The project 'ROME' in Khowang which became non-functional has been made functional again. It was inaugurated by our Ex Principal cum Chief Superintendent, AMCH Dr. Faruque Ahmed on 27th September, 2019. Now it will be used as screening centre for people suffering from different diseases in that location.

Academic and Research

- The undergraduate (MBBS) students have shown remarkably good results in the final MBBS examinations in the last few years under Srimanta Sankaradeva University of Health Sciences and that too specially in the last year.
- Number of faculties have undertaken research works under ICMR and other central govt funds. At present about 35 numbers of different project works are going on in the institution.

Other activities:

- 24 nos. of air conditioners have been fitted in the class rooms for students to create a healthy environment
- Industrial aqua-guards have been supplied to all the hostels inside the Medical College Campus.
- The college campus has been illuminated by LED bulbs in place of the age old conventional electronic bulbs.
- A new college badge for the college students has been added to their uniform.
- Community services are offered by our college in the time of need. Our doctors have attended health camps in different flood affected areas of Assam including many interior places during the last few years. I must thank them all for their commendable job.

I wish our college should be an ideal centre for nurturing the students to become ideal and complete human being with adequate knowledge and wisdom to lead our country in different fields. I wish on this auspicious day today, we all should solemnly pledge to dedicate ourselves with all our effort to glorify the name and fame of our Alma Mater and our profession too.

Finally, I would like to thank and acknowledge the co-operation, help and support that we have received from the district administration in times of our need and i hope it would be continued for years to come.

Long live Assam Medical College.

Hospital Tumour Registry

Staff position : Dr. (Ms) Rafiqua Akhtar (Research Officer)
Sri SastharamNath (LDA)
Mrs. Jyotsna Sonowal (LDA)
Sri BhupenMech (4th grade)

Hospital Tumour Registry was established in Assam Medical College Hospital in January, 1982 under National Cancer Registry Programme by ICMR. Now a days it is functional under National Centre for Disease Informatics and Research (NCDIR), Indian Council of Medical Research, Bengaluru. Hospital Based Cancer Registry (HBCR), Dibrugarh has completed 37 years of successful operation on 1st Jan 2019.

The main objective of HBCR is to assess the patterns of Cancer patients reported in Assam Medical College from entire North East. This is the premier Cancer Registry in North East India.

All new cancer cases diagnosed and treated in various outpatient and inpatient departments were collected for registration. Although case findings and data abstraction are not easy process in a general hospital devoid of specific cancer clinic as patients may attend various number of clinics in different departments of the hospital. During this long operational period many more projects on cancer has been sanctioned by ICMR at different periods of time, some of which have been completed and some still continuing.

During the year 2018, a total number of 1036 new cancer cases were registered. As compared to male, female cases shows gradual increasing trend.

REPORTS

AMC STUDENTS' UNION

I am extremely privileged to put down my experience and involvement being a president of the AMCSU of a reputed college. I am honored and humble to grace this auspicious post. As I look back it feels it was just yesterday when the union body was formed dated 25th October, 2018. In the presence of our benevolent principal Sir Dr.H.K. Goswami, vice principal Dr.R.K.Gogoi, Staff President Dr. Jishan Ahmed Ma'am. I would like to thank each one of you for keeping the faith in me for your constant guidance without which the foundation of union body and each member would be frail. Deep in mind , its saying "*with great power comes great responsibility*", I have always worked giving in too much effort and hard work for the interest and welfare of my institution with fine help from my other union members who were just earnest and passionate about fulfilling their responsibility.

As we look back series of event during our tenure, we began by welcoming our budding and enthusiastic new saplings to this prestigious institution and to this noble profession on Oct 28, 2018, we started our fresher's with the fun filled interaction session between the seniors and juniors and in the evening a gala extra vaganza. The freshmen social and later the announcement of Mrs. and Mr. Fresher's 2018 took place.

On Nov 1st 2018, Inter Departmental folk dance competition was organized which involved participation from the faculties and students of departments in the college.

On Nov 2nd 2018, a walkathon program was organized commemorating the 72th Annual Foundation Day under the gracious presence of Sri Bhugeswar Baruah gold medalist, 1966 Asian Games and Sri Jadav Payang, The Forestman of India and the constant support of Dr. (Proff) Ranjit Kumar Baruah Sir. This was followed by cleanliness drive involving all the students with an aim to clean our very own campus and make ourselves a part of Swachh Bharat Abhiyan led by our PM Shri Narendra Modi. Later on that day, a wall painting competition was organized with participation of all UG and PG students.

On Nov 3rd 2018, AMC completed another glorious year. On this day AMC stepped into 72 years of selfless service to humanity and knowledge we celebrated the 72nd foundation day. With great enthusiasm equally from the medical fraternity as well as the students. A plantation drive was organized under the gracious presence of Shri Jadav Payang. Everybody came together as one to make the event a great success.

As we stepped into 2019, on Jan 26th we celebrated the 70th Republic Day. The occasion started with hoisting of our Tri-Color by our respected Principal Sir followed by singing "*Jana Gana Mana*" amongst a huge gathering of respected professors and students, nursing staff and workers.

The 67th Annual College Fest '**SYNAPSE 2019**' started on 11th March 2019 followed by 13 day long schedule of various activities, including Inter Batch Dance, Bihu Competition, One Act Play, Singing Competition and as well as literary events like Debate, Article Writing, Poem Recitation and last but not the least the sport events including Interbatch football, Interbatch volleyball etc. This year saw initiation of new activities such as T-shirt painting, Face painting, Mehendi competition, Salad designing competition and major games saw the introduction of Kho-Kho and handball. Finally on March 23rd 2019 the College fest was concluded with a stannite performance by the North East Breeze which happened after so many years. We would like to thank Respected Principal Dr. H.K. Goswami Sir for guiding us all through this great event. We would also like to thank Staff President Dr. Jishan Ahmed Ma'am for being a constant support.

We would also like to thank Respected Vice Principal Dr. Rupak Gogoi Sir, and Superintendent Dr. Indra Nath Chutiya Sir, for taking the lead being the guiding light in the course of the whole event. The College Fest wouldn't have been possible without the help of my fellow AMCH members, who were in constant support till the end at first I would like to thank Mr. Deepjyoti Kalita and Mr. Arnab Goswami (editor of AMCOL) for giving me this opportunity. Mr. Pradipta Nagan Borthakur (cultural secretary) for his countless efforts in the cultural field, Mr. Borun Gogoi (GS), Mr. Shahbaz Raja (VP), Mr. Subrata Roy (major games) and Mr. Seuj Nandan Sonowal (minor games) for hosting the major events. Mr. Borish Jyoti Borphukan, the brain behind all the literary events, Mr. Sourav Kempray (social) and Mr. Shahid Inam (gymnasium sec).

To get rid of the negative vibes and to put your mind and body in peace and serenity the perfect way is **YOGA**, on 21st June 2013 AMC celebrated 5th International Yoga Day. Respected Principal Sir along with all the Medical Fraternity including nursing staff and other members participated in 2 hours long yoga session in the John Berry White Auditorium. To mark the International Music Day and to create a musical facility was arranged inside the campus with a great support from Principal Sir.

On 15th August the National Tricolor was hoisted marking the 72 years of India's Independence by our Respected Principal Sir followed by the singing of the National Anthem. Shortly after the event the 1st year batch along with AMCSU reached Chowkidinghee field to celebrate this great occasion with the people of Dibrugarh under one roof.

"A Teacher is said to be the next parent. A teacher guides us not just with knowledge but with values that is necessary for us to survive". On 5th September we celebrated the birth anniversary of the great visionary Dr. Sarvepalli Radhakrishnan wherein we invited and felicitated our beloved teachers followed by cultural programs put up by the undergraduate students. Respected Principal Sir addressed the gathering and blessed with his warm and kind words.

During the month of September the 7th semester students went to **PULSE**, an event hosted by AIIMS Delhi. Our students achieved a lot amount of appreciation and our Bihu team (**POSUA**) won 3rd prize in folk dance competition.

Academically the university results of all the batches have been appreciable. A big number of AMCians cracked PG entrance and made their way through great institution all over India.

Our editor of AMCOL Deepjyoti Kalita has tirelessly worked to bring out the best of its kind of our College Magazine **AMCOL**.

Taking up the responsibility as president of Student's Union wouldn't have been possible without the guidance and enlightenment of our Respected Principal Sir Dr. H.K. Goswami, Vice Principal Sir Dr. R.K. Gogoi and Staff President Dr. Jishan Ahmed Ma'am, without their support we would have accomplished nothing.

I would also like to thank our batchmates, juniors, office staff and all the members of the AMC fraternity.

Lastly I conclude by thanking the 1st year batch of 2018-19 for their support and also to AMC for its support in both good and bad.
